

# INVITATION “Promoting Danish Sustainable Construction in Poland”

## 06.04.2010, Warsaw/Copenhagen

You are hereby invited to participate in the promotion of Danish sustainable and industrialized construction in Poland and benefit from the rapidly growing interest in sustainable construction on the Polish market.

**The Trade Council of Denmark and the Danish Embassy in Poland are pleased to invite you to a series of events aimed at promoting Danish visions and competences within sustainable construction.**

**The events will take place in connection with the “Building Sustainable Communities” exhibition, the first Danish architecture exhibition in Poland.**

**Promoting Danish sustainable construction. (6-7.04.2010)** The Danish participants will over a 2-day event have a unique opportunity to

promote their projects and visions towards relevant decision makers, media and potential clients in Poland. The event will consist of one day in Warsaw/Poland. It will contain a row of presentations by the Danish companies for a selected audience, whereafter there will be arranged direct B-2-B meetings with the relevant companies.

The Polish guests will include representatives from building contractors, developers, architects, selected producers and relevant media. The event will be hosted by Ambassador Hans Michael Kofoed-Hansen in the Embassy in Warsaw and

will coincide with the opening of the exhibition Building Sustainable Communities which is the first exhibition of Danish sustainable architecture in Poland.

#### **Participation fee**

The participation fee for the event is 4.000 DKK. In this fee is included flight and consumption.
